# MOULDING THE FUTURE

At ExactoCraft, we are committed to providing our customers with a customer-centric business model, ensuring an exceptional experience throughout the entire process, from prototyping to delivery. Our long-standing success is attributed to our unwavering dedication to unparalleled quality and exceptional service for over 74 years.

With a history dating back to 1948, we have established ourselves as a prominent leader in the field of techno plastic design, tooling, and injection molding. Our commitment at ExactoCraft is to deliver top-quality plastic product solutions to both national and international markets. We achieve this by leveraging our extensive engineering expertise, innovative design capabilities, and cutting-edge polymer technology.

Our highest-quality beauty care and cosmetic products are crafted with carefully selected materials that will delight consumers. At ExactoCraft, we prioritize the look, feel, and practicality of our products, which has resulted in award-winning designs for our valued customers.

With our comprehensive range of services, including product development, branding, and assembly, we guarantee consistently exceptional and stylish product packaging.

BODY SPRAY  
**ACTUATORS**

# EXACTO Unisex Actuator

Experience the perfect blend of style and functionality with our **Exacto Unisex Spray Actuator**. With its sleek design, this spray actuator not only adds a touch of elegance but also provides a practical and appealing look. Its seamless compatibility with a standard 32 mm aerosol valve ensures effortless integration, making it the perfect choice for your aerosol needs.

ILLUSTRATED ON 45 MM CAN

# EXACTO Female Actuator

Embrace the power of femininity with our **Exacto Female Spray Actuator** and make a bold statement in the world of aerosols. This actuator exudes flair and fun with its sleek and petite design, offering a more refined look compared to our Unisex actuator. Crafted to perfection, it seamlessly fits onto a standard 32 mm aerosol valve, ensuring effortless functionality and compatibility.
